

Turn up the savings for your business.

DTE Energy has expanded its Your Energy Savings program to provide programmable thermostats and installation in eligible business customer facilities **ABSOLUTELY FREE!**

Programmable thermostats allow you to customize temperature control in your facility to coordinate with your building occupancy. Using preset temperature settings can automatically reduce energy used to heat or cool air during non-business hours.

Adjusting temperature settings with a programmable thermostat for just 8 hours a day in your business facility can save as much as **10 percent** on your annual heating and cooling bills.*

Learn more about the portfolio of programs available to business customers at www.YourEnergySavings.com.

If your facility currently uses a non-programmable unit, **call us today at 866.796.0512** to schedule your FREE programmable thermostat installation. *Hurry!*
Supplies are limited.

When calling **choose option 3** for the commercial and industrial program or email your request to YourEnergySavings@kema.com.
